A friend
of his?

Wish
I could tell
who they
were...

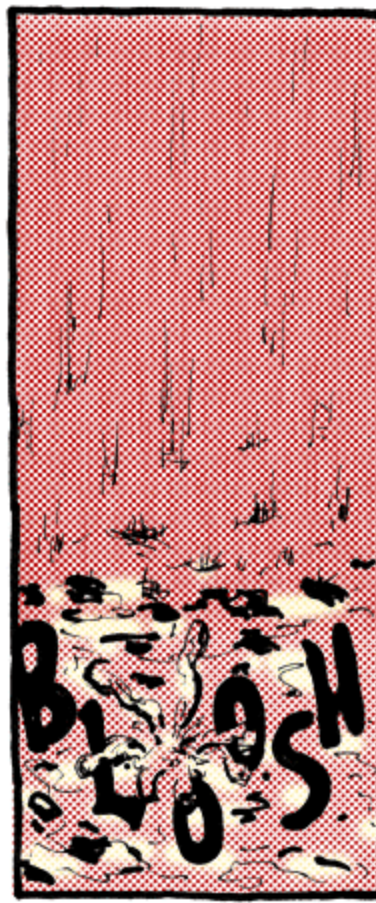

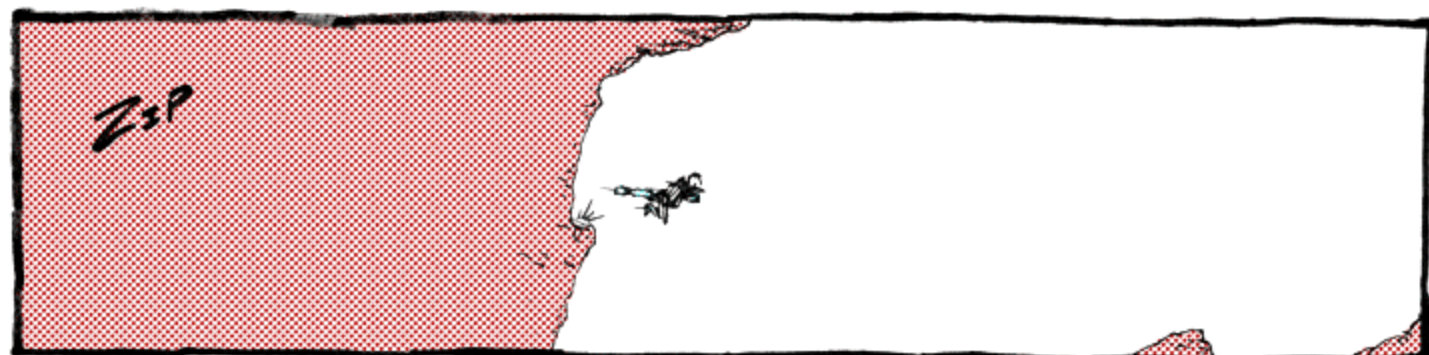

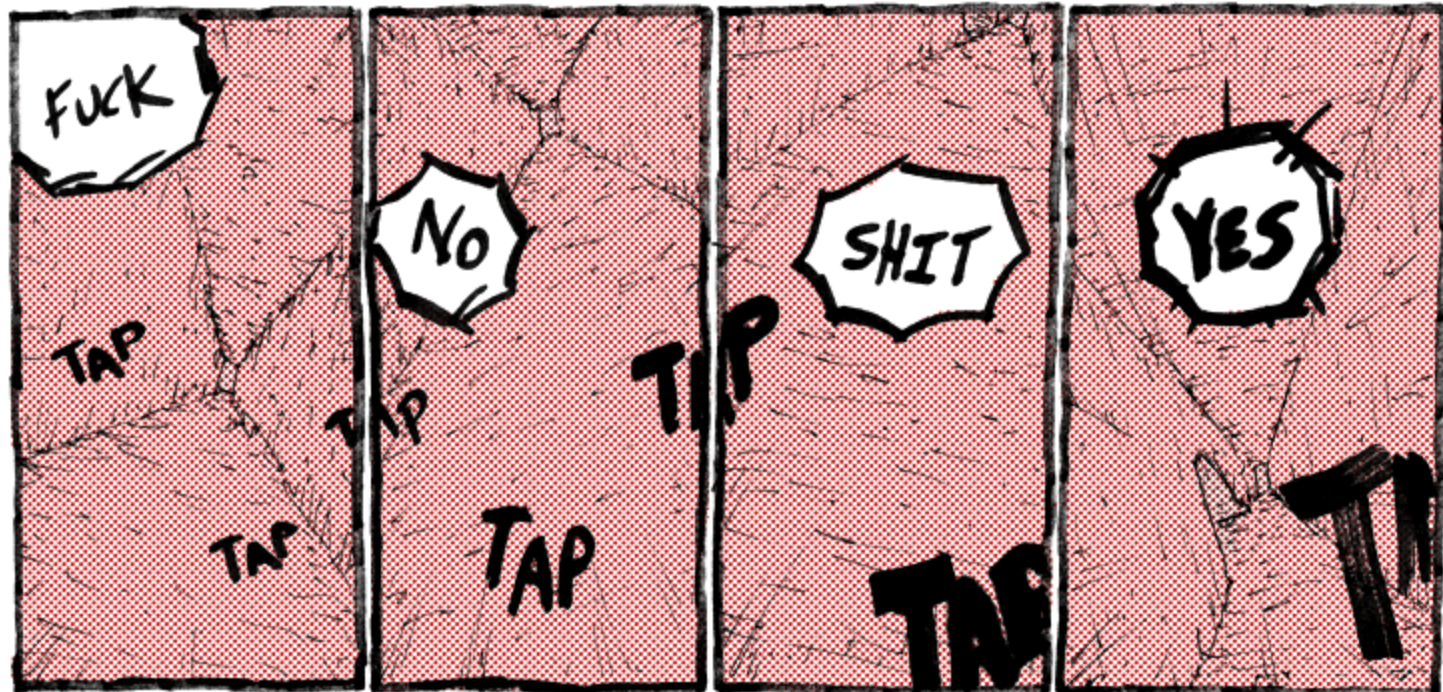

Two small figures in blue and black suits are walking across a vast, cracked, reddish-brown desert landscape under a pale sky.

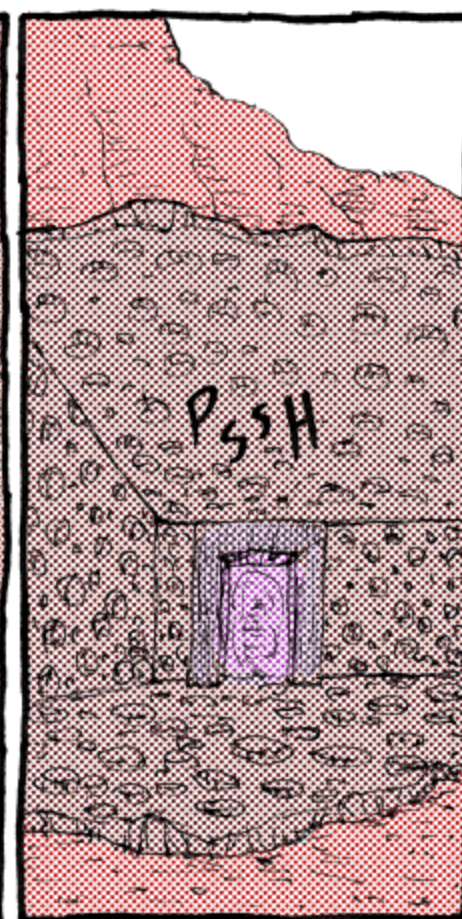

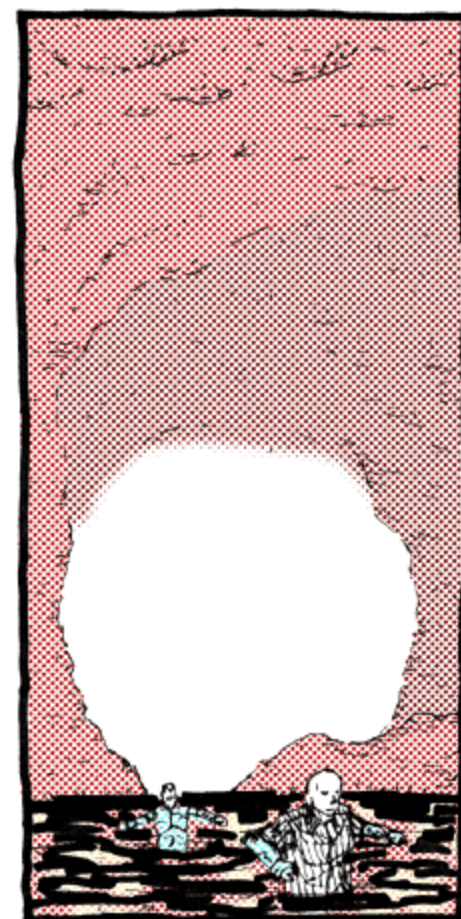

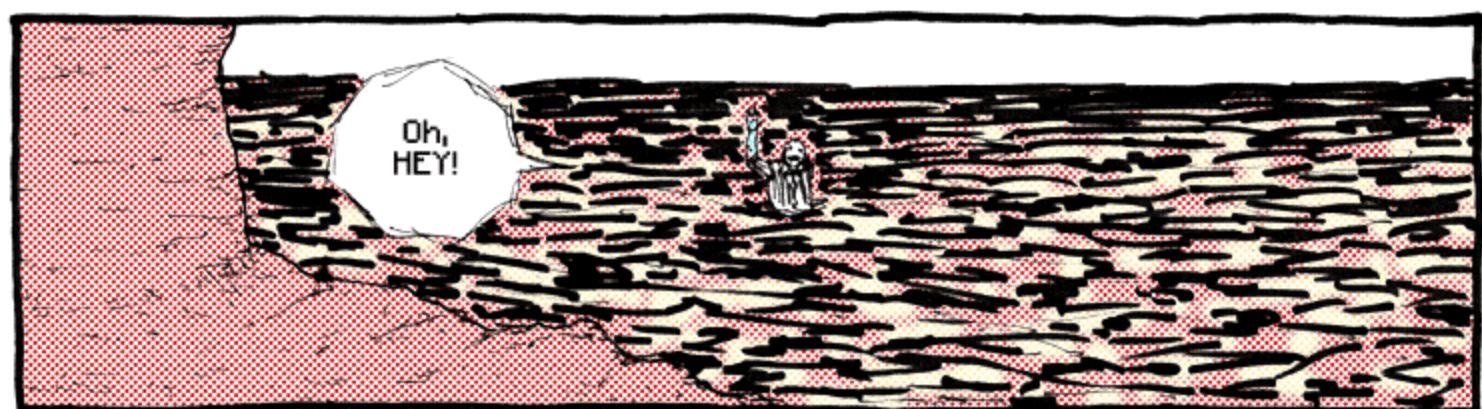

Where
are they
going?

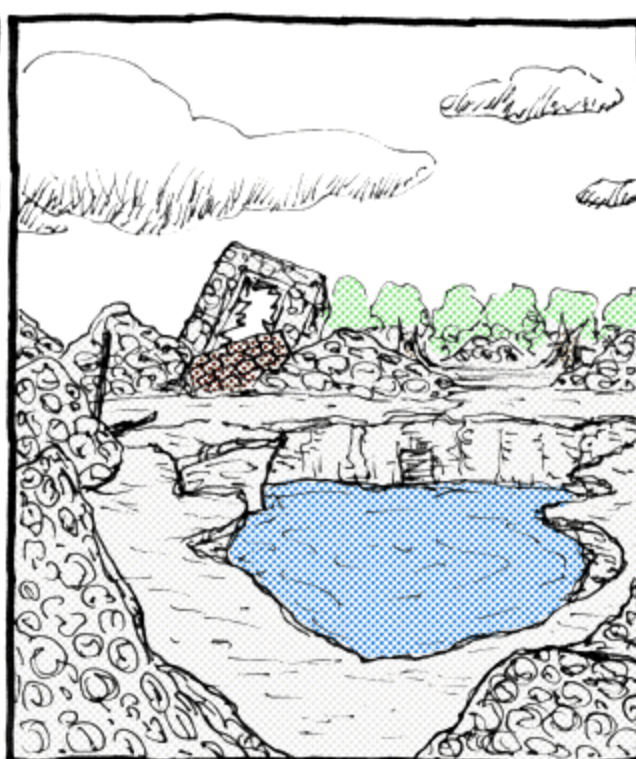

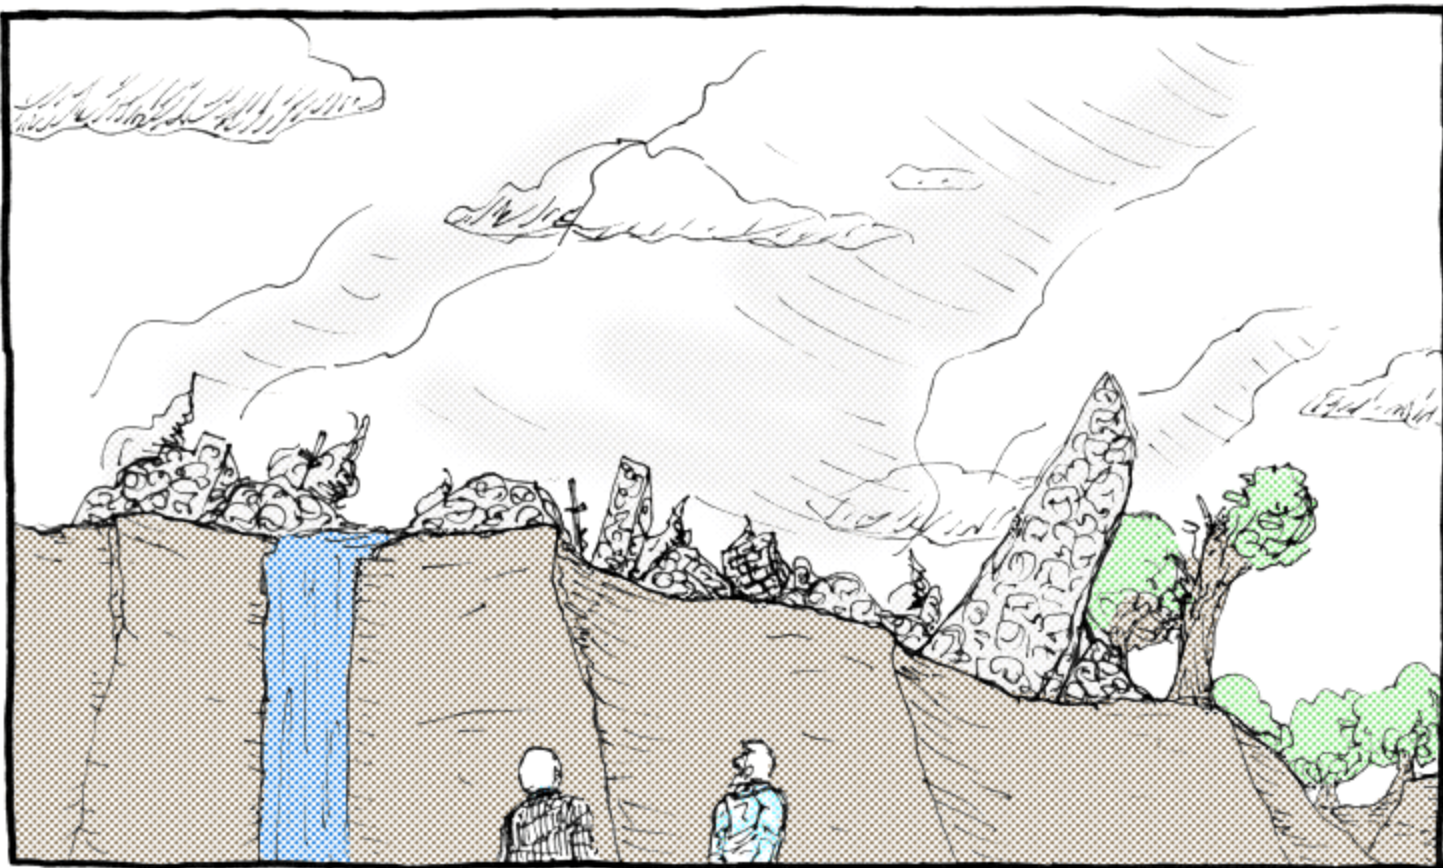

A figure in a blue and black suit is perched on a high, jagged rock formation. A speech bubble points to them.

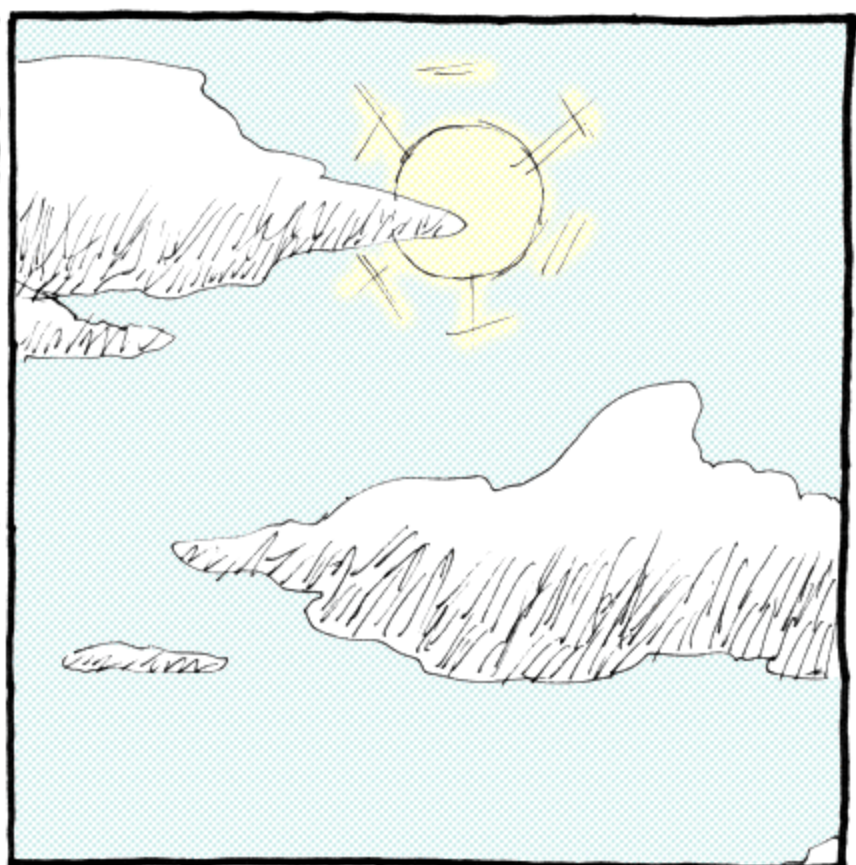

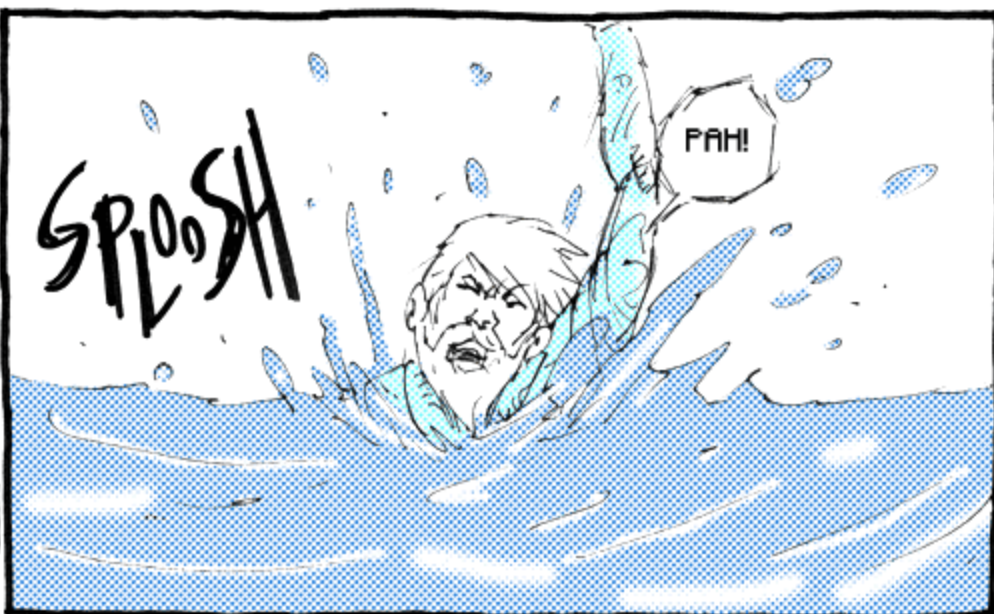

OH
FUCK!!

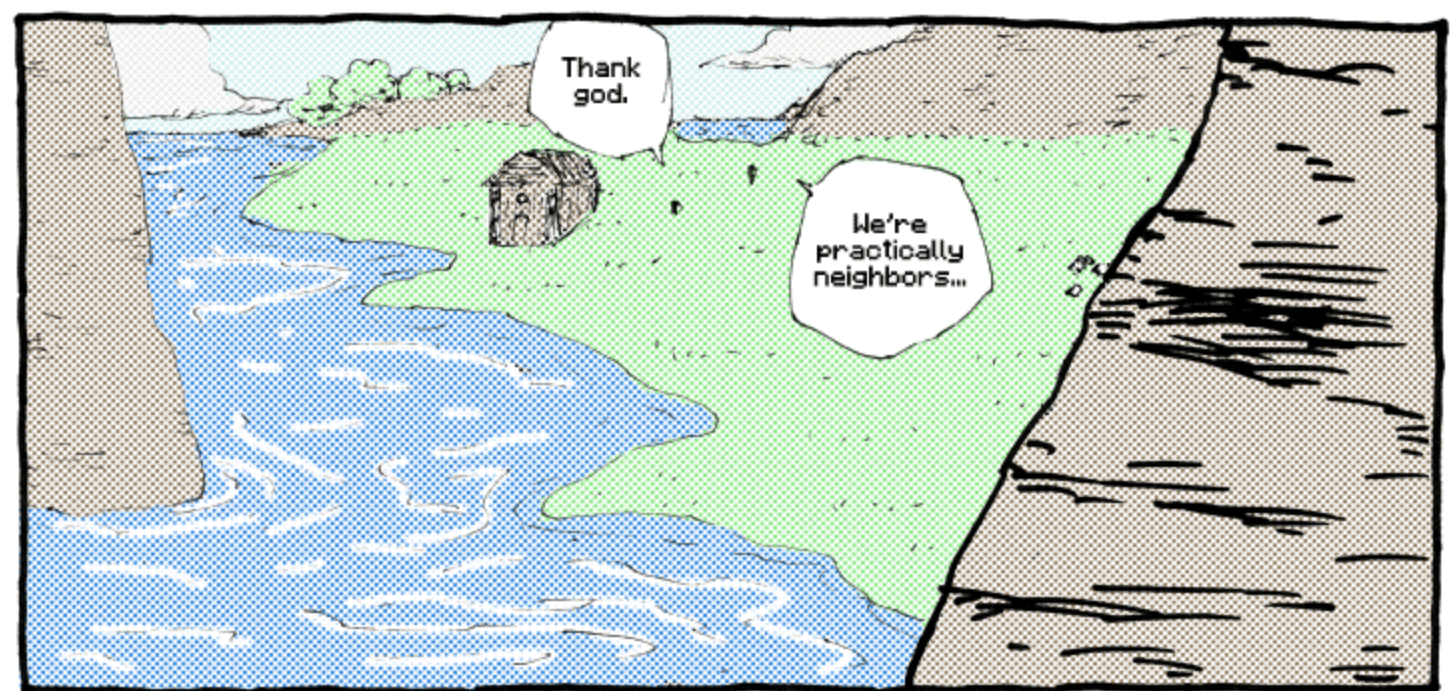

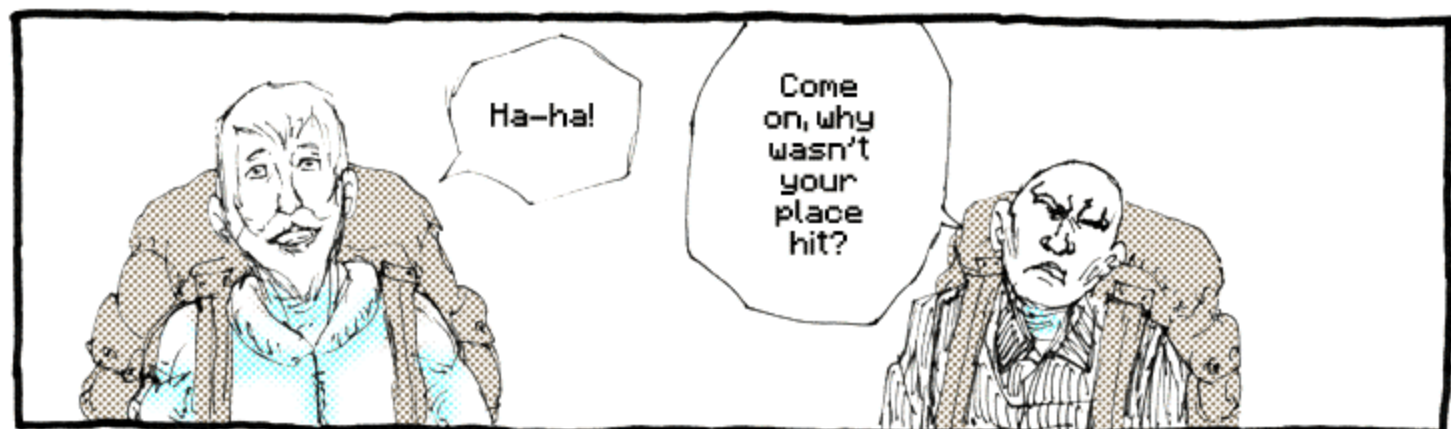

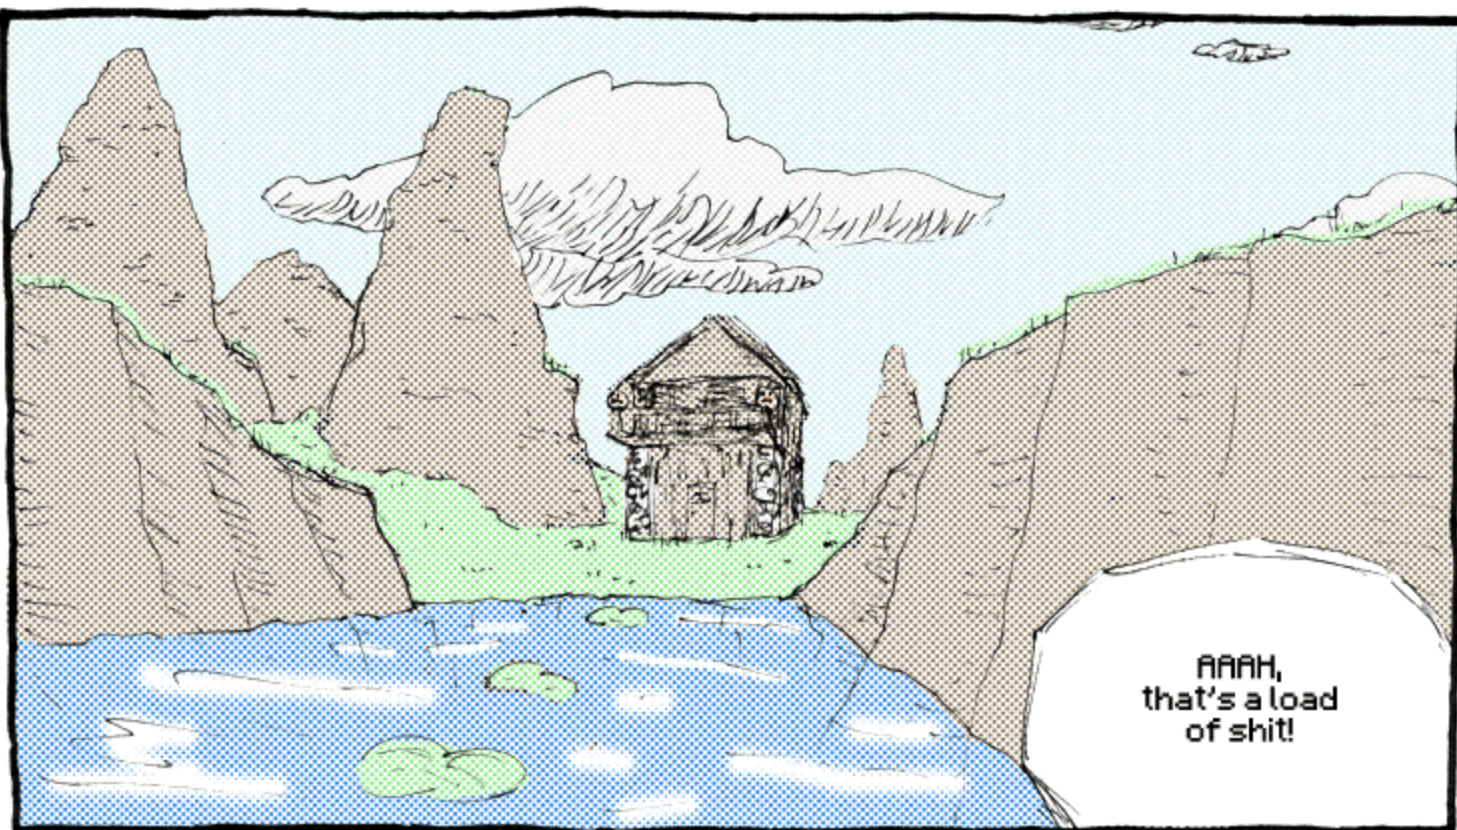

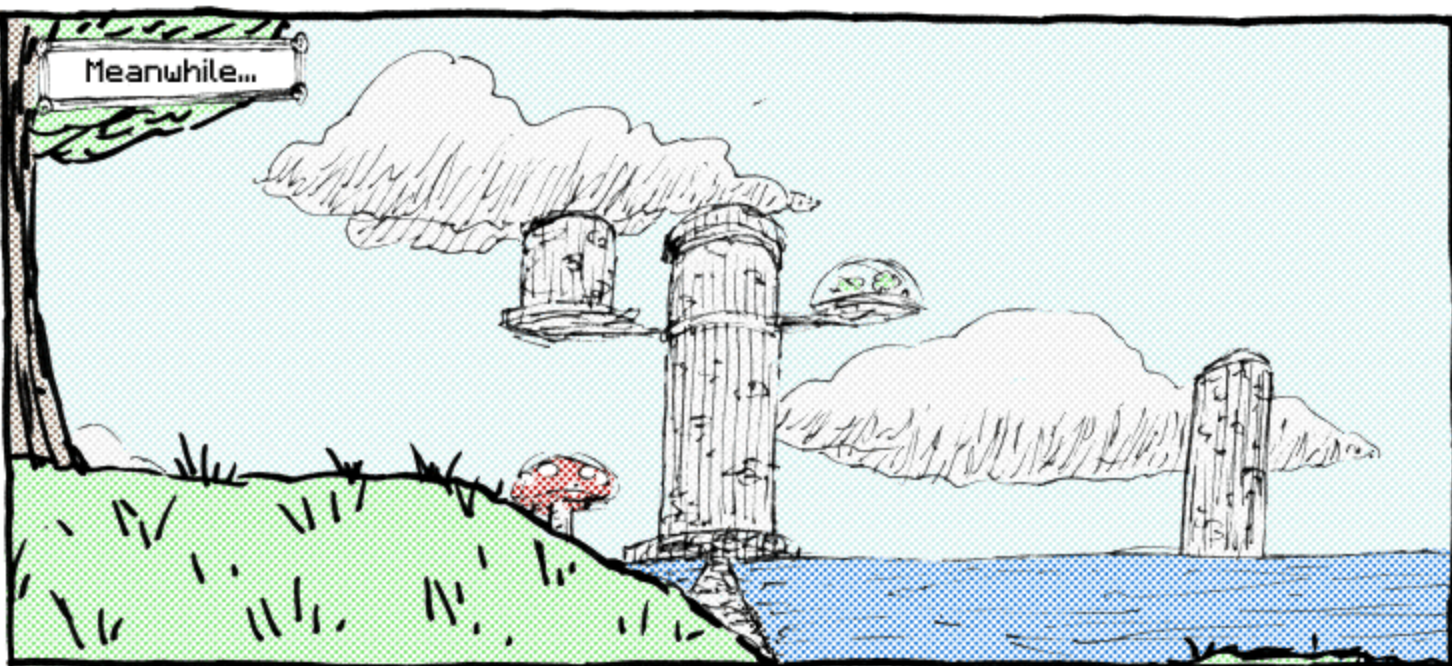

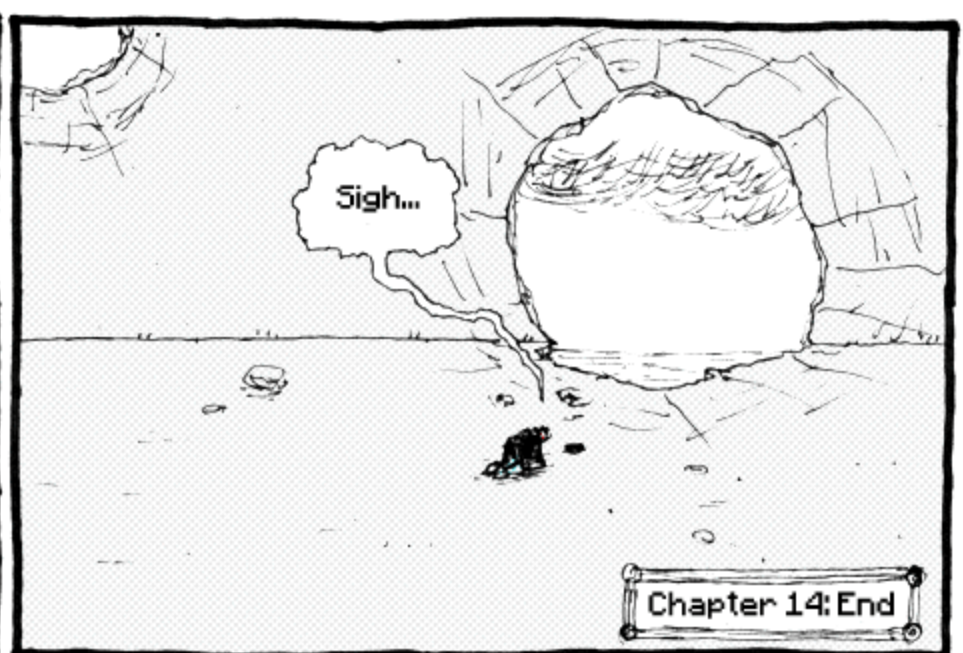

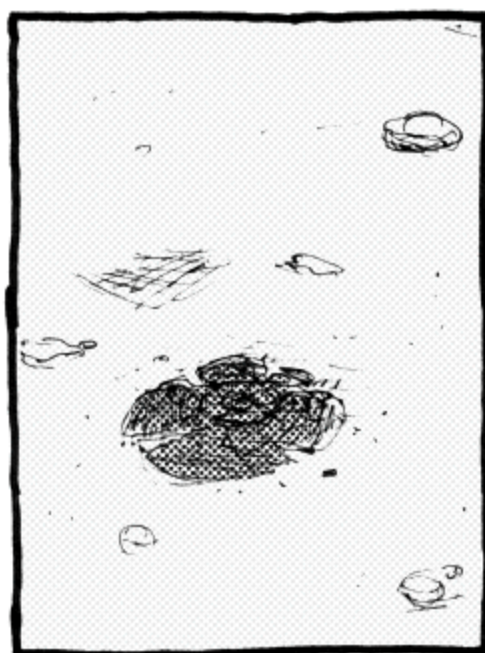

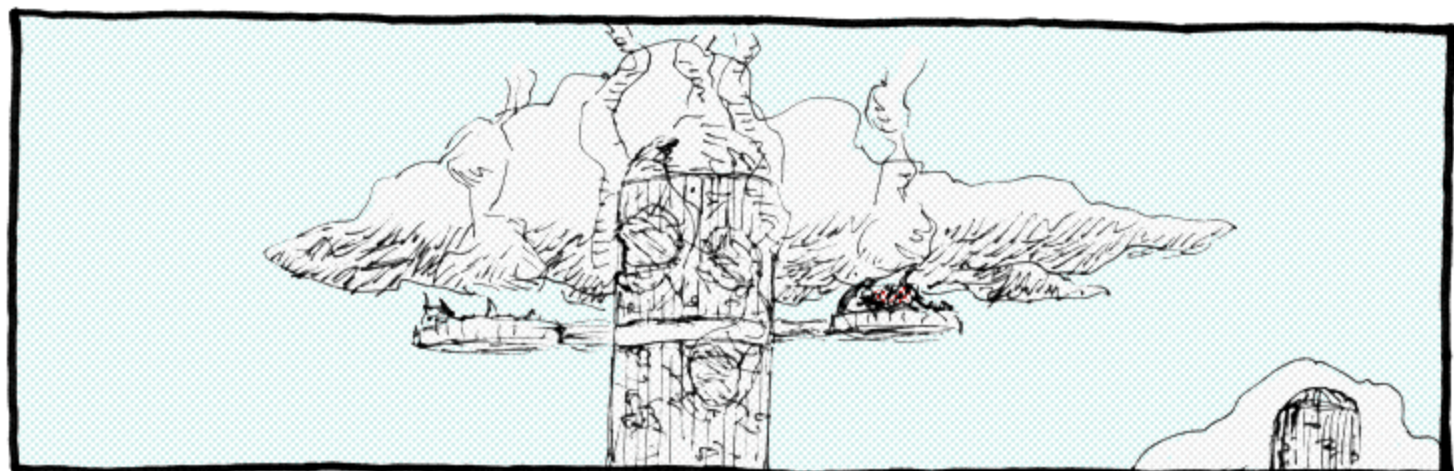

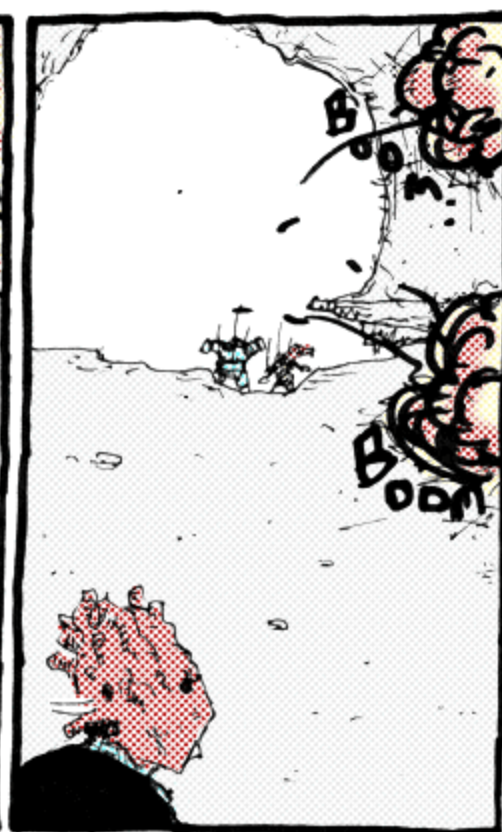

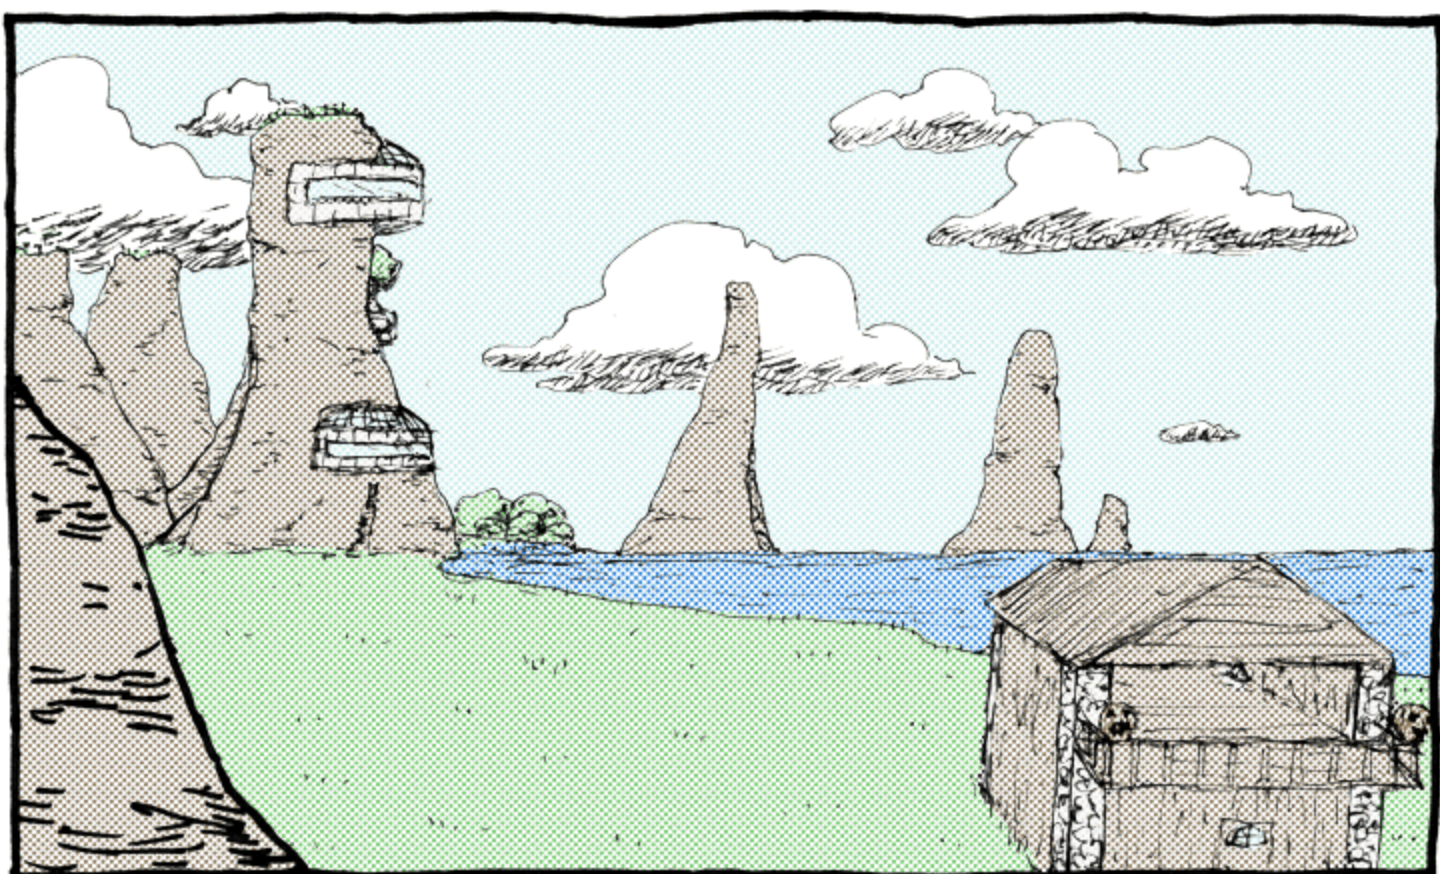

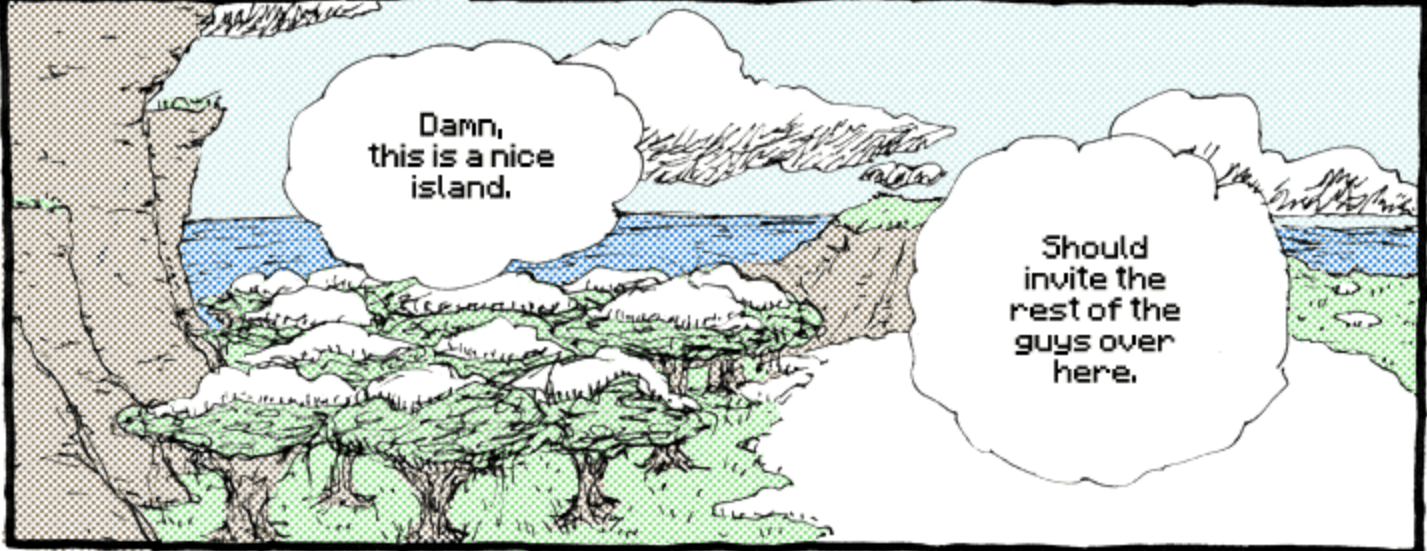

Meanwhile...

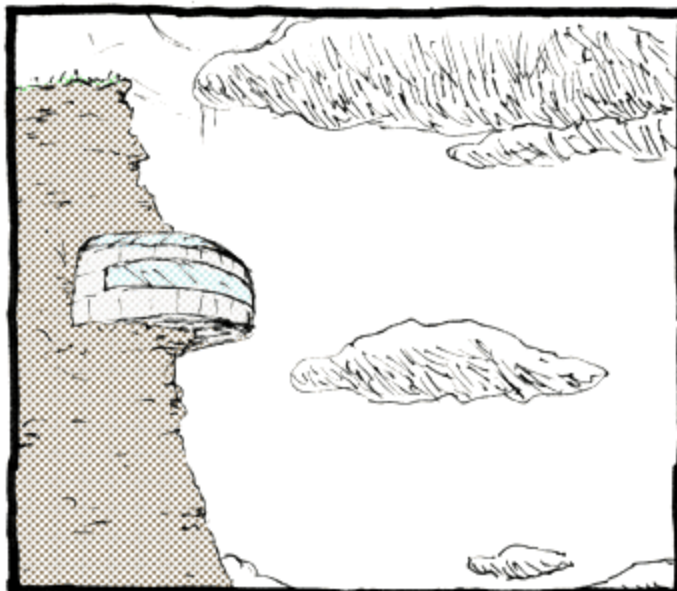

Damn,
this is a nice
island.

Should
invite the
rest of the
guys over
here.

Left for new town at 1 million.
Please come.
